Greetings to you!!

Very few have fully realized the wealth of sympathy, kindness and generosity hidden in the soul of a child. The effort of every educator should be to unlock that treasure and Delhi Public School Supaul is an excellent example where everyone strives indefatigably for this. This institution has been nurturing young minds of the town for the past 14 years with the belief that "The heart of education is the education of the heart".

This institution has been nurturing young minds of the town for the past 14 years with the belief that "The heart of education is the education of the heart". We are pleased to present to you A School Magazine of Delhi Public School. Enjoy every moment you have because in life there aren't rewinds, only flashbacks. For you, we have worked hard to bring up an exhilarating flashback of the inception of the school, its history and the events and achievements during the session 2012 to 2025.

We have for you, from the students and teachers a wide range of poetry, riddles, paintings and some informative and inspirational articles.

Happy reading!

About School...

Delhi Public School Supaul is an English medium school affiliated to CBSE Board, New Delhi and was established in the year 2011. The school is located in a clean location on the outskirts of Supaul main city. It offers classes from Nursery to 12th. In today's competitive world, the school has always kept itself at the top and is considered as one of the best schools in Supaul city.

The school has its own building with spacious classrooms and CCTV installed in each classroom. Students are provided with a smart class, science laboratory, library and computer lab. Along with studies, the school inculcates enthusiasm for sports in children. Every year the school organizes an Annual day celebration, Annual Sports Meet and Science exhibition to showcase the talent of students in different fields.

The faculty members of the school are well-educated and are efficient in their respective subjects and are from different parts of India. The method of teaching is student-oriented to encourage active learning, engagement, and allow students to take ownership of their education by providing choices and opportunities for independent exploration, rather than solely relying on the teacher to deliver information. The school has been giving almost 100% results in CBSE board exams every year. In the past years, students have brought laurels to not only the school, their families but also the entire Supaul district by scoring good marks.

Overall, the school is committed to providing excellent education to take the students to the next level.

MESSAGE FROM **CHAIRMAN**

It has been a glorious and proud 14 years journey for Delhi Public School Supaul since its first origin in 2011: This long journey has been full of adventure and enthusiasm. Delhi Public School Supaul has come a long way over the decade and we have been working actively together in good team spirit.

The school has set new standards. Within this period, we have been awarded the prestigious School of the Year Award and Apart from this the school has the distinction of giving excellent results in CBSE Board every year.

Over the years, the successive Principals and Teachers have worked steadfastly which has enabled our students to reach their goals, and has nurtured them to become responsible global citizens. Delhi Public School provides modern infrastructure, newest technology and has emerged as a State of the Art school. We hope to continue grooming our pupils to uphold rational thinking, creativity and compassion, with the goodwill of all our Patrons and the Blessings of the Lord.

"We are committed to providing education par excellence."

MESSAGE FROM **PRINCIPAL**

SONI SIMMI
Principal, DPS Supaul

**'What we see changes into what we know.
What we know changes into what we see.'**

Children require a long uninterrupted period of play and exploration. Despite online education we are at DPS Supaul, trying to evolve children by involving them in various activities for co-scholastic development along with scholastic learning. We aim to evolve our children to have higher mental processes, such as attention, creativity, language, memory, perception, problem solving and thinking. These processes involve the use of sensory memory, short term memory and long term memory. When dealing with children, there is greater need for observing than of probing.

All of them may not be able to answer the way we want from them. A child interacts with peers and shows interest in participating in activities either as a leader or a follower. All these observations play a very important role in nurturing the child in the most appropriate manner.

We do not prepare the child only for education but we prepare them for life by upgrading their skills in day to day life. We encourage and guide them to become self dependent in their daily routines like dressing up, packing bags, tying shoe laces, keeping the things at the right places and many more. We strive hard to make our little laureates into little legends.

Regards

Message From Principal-in-Charge

"Education is a means of achieving a world of peace, justice, freedom, and equality for all."

We live in a world that demands excellence, creativity and competitions. Education ought not to teach one to compete with the other but rather compete with oneself to eliminate what is irreconcilable and to furnish oneself with the armor of knowledge and wisdom to stand for oneself and the other.

Delhi Public School Supaul believes in the holistic development of the children. Implementation of a well-balanced curriculum ensures us to cater to the intelligence, emotional and spiritual quotient of the children with opposite environments. Our well qualified and well-disciplined faculty deems that success comes to those who work hard and stays with those who don't rest on the laurels of the past.

Spirituality, morality and teamwork are the hallmark of DPS. Therefore, let us strive to perfection and it is quite sure that a collaborative effort can bring the best that is yet to come.

"What we are is God's gift to us, what we become is our gift to God."

The Friendly Sun

The sun comes up,
so big and bright,
It gives us warmth,
it It Shines on trees,
the And makes the sky
It gives us light.
it us a lovely blue.

It wakes us up with a golden ray,
And helps us play throughout the day.
When It sets, the stars will shine,
The sun will rest, and so will!

THE WHISPERING BREEZE

**One fine day in the month of May,
The whispering breeze came out to play
It danced with the leaves and tickled the trees,
Carrying secrets across the sea**

**It swirled around in the golden sun,
Chasing the clouds just for Pun.
Through fields of flowers, it softly ran
Painting the world with a gentle plan**

**The birds chirped aloud as it passed by,
The breeze made kites soar high in the sky
It kissed the cheeks of kids at play,
Then hurried along, not meant to stay.**

**But as it left, it whispered low,
A little secret for us to know:
"Life is a Journey, don't rush it through..
Enjoy the moments that come to you.**

MOTHER

A man stopped at a flower shop to order some flowers to be sent to his mother who lived two hundred miles away. He saw a young girl sitting on a stone sobbing. He asked her why she was sobbing and she replied, "I want to buy a red rose for my mother. But I have only ten rupees and a rose cost fifty rupees."

He smiled and said, "I will buy you a rose". He bought the little girl her rose and ordered his mother's flowers.

The girl requested him to take her to cemetery, where she placed the rose on a freshly dug grave. The man returned to the flower shop, cancelled the order, picked up a bouquet, and drove the 200 miles to his mother's home.

YOU have to treat your Parents well while they are still healthy. Do not only show your respect to them when they are in the GRAVE.

कर्तव्य पथ

कर्मवीर हूं कर्तव्य पथ पर अपना कदम बढ़ाना है,
ना हार पर ना चित्कार पर ना जीत पर खुशी मनाना है।
जीवन मिला है तो जी भर के उसे मुझे जीना है,
कर्तव्य पथ पर चलना है, कर्तव्य पथ पर चलना है।।

रात काली है सही काल सी हो लम्बी सही,
ना मिले लक्ष्य मुझको, राह तो मुश्किल नहीं।
ठोकें जितनी लगे, कदम अपना बढ़ाना है,
चलता रहेगा कारवां कदम अपना बढ़ाना है।।

थक गए हों पांव अपने हो गई हो भुजाएं शिथिल,
मत भूलो तुम लक्ष्य अपना रास्ता मुश्किल नहीं।
संकल्प न टूटेगा कभी न मन विचलित होगा कभी,
चलता रहेगा कारवां मंजिल मिलेगा निश्चित कभी।।

हा विधाता! तुझसे भला मैं शिकायत क्यों कर करूं,
ना ही चाहूंगा कभी खुद के लिए वरदान भी।

जो दिया तूने मुझे मेरे लिए तो वह बहुत है,
कर्तव्य पथ पर चलना है, कर्तव्य पथ पर चलना है।।

BRIGHT NIGHT

— Pavitra Hembram, IX

The Positive energy of every sunshine,
Take away all the worries that are mine.
Every Sunset before the dark night,
Brings the fire and set the night bright.

The golden body shines in the middle of the night,
Yes! It's our handsome uncle moon who reflects golden lights.
The diamonds with the golden ball on the purple sky,
God makes it more beautiful than human, why?

It is true, darkness has a purple reflection,
The mountains, the rivers, the forests and the sky,
They seem to us a great relaxation.
I love these things being so mad,
Having a beautiful surrounding, oh god! I'm really glad.

भारत माँ की बेटी

द्रौपदी पुकारती रही पर श्री कृष्ण ना आए,
भारत वर्ष की इस काली घटा को हम कैसे बताए,
पूजते थे जहाँ स्त्रियों को देती मानकर,
उसी माती पर आज पुरुषों ने औरतों के मान के दीपक बुझाए,
इस मौ की गोद मे ऐसे लाल कहाँ से आए?

मुझे भी हक है अपने हिस्से का तो जीवन जीने का,
मुझे भी हक है अपने सीने का दर्द बताने का !
मेरे लबों से मुस्कान और चेहरे से मासूमियत बिखर गई है,
सुरक्षित नहीं है वो गली जहाँ लडकियों की जान बिक रही है ,

इन दरिंदों को क्यो ना अब हम ही मिटाए,
ले के काली माँ का रूप उनका सर्वनाश कर जाए,
आत्मरक्षा की एक नई ज्योति जलाए,
काट दें उनका सिर जो औरतों पर नजर उठाए।
भारत माँ के दामन से ये दाग हटाएँ,
क्यो ना इस बार माँ की बेटियाँ, अपनी शक्ति दिखाए,
ताकि फिर कोई कलयुग की द्रौपदी,
श्री कृष्ण को पुकारते - पुकारते अपना मान न गवाएँ।

KHUSHI, THE MERCIFUL GIRL

Khushi was a nine year old girl who lost her parents in a road accident. Since then, she was brought up by her uncle and aunt. Her uncle loved her but her aunt was rude and didn't show any affection towards her. She was finally got admitted in a hostel. When the school was on holidays, nobody came to pick her up. So, she had to spend her holidays in the hostel with the warden.

Alka Laha was her English teacher in school. One day, she was passing in front of school, when saw Khushi standing near the gate. She came to know that nobody came to pick her up on holidays. She decided to take Khushi to market to please her. She said to Khushi, "Khushi, let's go to market. We'll lots of fun. We'll have pizza, momos, ice-cream, burger and what not..." she further added, "I will buy you playing items." Khushi refused to go to market. Alka thought a while and told her about her daughter who passed away a few years ago. She also told her that she saw her daughter in her. While telling all this, Alka's eyes were filled with tears. Khushi agreed to go to market with her madam.

Both of them enjoyed delicious food and visited places of interest. When it was time to going back to their respective homes, Alka said to Khushi, "You know Khushi, it is birthday of my daughter today. I always used to give her gift of her choice. Khushi, I want to give you a gift. Tell me what you want ___ don't refuse otherwise my daughter will feel bad." Khushi happily said that she wanted a puppy. They went to a shop where puppies were sold. The puppy seller showed Khushi some cute and healthy puppies. But finally she chose a lame one. The puppy seller and Alka got surprised at her choice. At this, Khushi showed them one of her legs which were replaced with a prosthetic limb. She said, "Only the lame can understand the pain of the lame." Her teacher Alka and the puppy seller got emotional to see the merciful nature of Khushi.

The puppy seller handed the puppy to Khushi without any charge.

SUCCESS STORY OF RONALDO

Cristiano Ronaldo is a perfect example of how dedication and hard work can lead to success. From a young age, he showed an intense commitment to his goals. Ronaldo spent countless hours training and perfecting his skills, always focused on becoming the best. His journey is one of the most inspiring stories about success in football, showing how persistence and a strong work ethic can transform dreams into reality.

Ronaldo's rise to the top is filled with remarkable stories about success. His determination and passion for the game have earned him numerous accolades, including multiple Ballon d'Or awards and the title of World Player of the Year. His achievements also include breaking records, such as becoming the first player to score 100 goals in the UEFA Champions League. These stories about success highlight his ability to push boundaries and set new standards in the world of football.

What makes Ronaldo's story even more powerful is his continuous drive to improve. Despite already achieving so much, he never stops striving for excellence. His work ethic and relentless pursuit of greatness serve as an inspiring example for all. Ronaldo's story teaches us that with dedication, perseverance, and an unyielding commitment to our goals, success is within reach. His journey reminds us that the road to success is built on hard work, consistency, and the willingness to never give up. **Learn to rise from bottom to the sky for which you need strong willpower and complete dedication.**

TREES ARE THE BEST GIFTS

___ Nandini, IX

Once there lived a five years old boy named Alok who was very mischievous and always did what his mind said. He used to play cricket in an open area every evening. There was a big tree where he played. He would pluck the leaves, broke the branches of the tree. One day, the tree asked Alok, "Why do you always bother me? What have I done to you?" Alok replied mischievously that he felt good in doing so.

The time passed ___ Alok now turned to 18 years old. Before going to college, he had an argument with his parents. So, he left home without having breakfast. On way to his college, he saw the tree he once used to bother. The tree was laden with fruits. Alok asked the tree if he could pluck some fruits to eat. The tree allowed him happily. After eating delicious fruits, the boy thanked the tree and went away from there.

Alok started spending his most of the time sitting under the tree and sharing all his things of mind to the tree. Thus, time kept passing. At the age of 25, Alok got married. He got a strong concrete house built but the area where he lived was prone to earthquake. Unfortunately, one night, there was an earthquake and Alok's house collapsed in the same earthquake. This time he thought of building a wooden house so that he could save some expense and wastage.

Next day, he went to the tree and asked for wood. The tree allowed his to take wood. Alok cut the tree to fulfill his purposes leaving only the stump of it. Now, there was no tree at all except the stump where one could only sit.

Alok got a wooden house built and spent the rest of his time happily with his family. With the passage of time, he also grew old. Now it was the time for him to bid farewell from this world. Alok asked his wife and children to reach him to the tree. He was taken to the tree. Alok asked the tree, "Did you recognize me?" The stump that had taken the form of a tree, "I have seen you since your childhood. How I can forget you."

Alok, tears in eyes, said to the tree, "I armed you a lot even though you didn't tell me a single word. How cruel and heartless I am! I have been regretting since then ___ I can't compensate for the pain I caused you but I have planted a number of trees." Hearing this, the tree became happy and shook its branches as if expressing happiness.

After remaining silent for some time, Alok said to the tree, "Today is my last day. I want to die in your lap." Saying these words, he closed his eyes forever.

Moral: Trees are very important to us. They provide everything to us without any expectation. Trees are our best friends and are considered nature's bounty to human beings. We should protect them at any rate.

कंबल वितरित करते निदेशक.

लगातार ठंड के बढ़ रहे प्रकोप को देखते हुए अपने पेटुक गांव लोकता में शुक्रवार को गरीब, निःसहाय लोगों के बीच निदेशक डॉ. उदय कर्ण द्वारा लगभग दो सौ लोगों के बीच कंबल का वितरण किया गया. डॉ. कर्ण ने कहा कि पीड़ित मानव की सेवा करना हर एक मानव का धर्म है. कला कि ऐसे समय में जब लोग खुले आकाश में रात गुजाने को मजबूर हैं उन्हें राहत पहुंचाने के उद्देश्य से विद्यालय परिवार द्वारा यह पुनीत कार्य किया गया है. दिनभर काम करने के बाद रात को चैन की नींद ना आना और पुनः अगले दिन पेट की आग बुझाने के लिए काम पर

जाना सहज नहीं होता. प्रचंड ठंड की वजह से कई लोगों की जान चली जाती है. खुशी बंटने से खुशी मिलती. कहा कि अगर इसी तरह की ठंड रहती तो अलाव की भी व्यवस्था की जायेगी. कहा कि 14 जनवरी को मकर संक्रांति

के मौके पर स्कूल परिसर में 500 गरीब, निःसहाय लोगों के बीच कंबल का वितरण किया जायेगा. इस मौके पर रतिलाल महतो, दुर्गा देवी, रामचरण पासवान, रामश्री पासवान, रामदेव पासवान सीतल अम्ब मजूद थे.
